Chairman's Message

We are delighted to announce that the Jaipur Jewellery Show (JJS) has successfully completed two decades of operation, establishing itself as a renowned trade fair in India and abroad. Our journey thus far has been possible due to the competent and dedicated team at JJS who have tirelessly worked towards making it a coveted event, attracting a diverse audience of tourists and local customers. The show fosters participation, networking, and the exchange of ideas amongst the industry's brightest and most talented minds. The four-day extravaganza is a quintessential representation of the best of what the gem and jewellery industry has to offer. JJS has been growing from strength to strength since its inception. Even during the global pandemic's recessive times, there was an enthusiastic demand for booths, highlighting the show's unparalleled popularity. Organized at JECC, Jaipur, spread over 2.5 lakh square feet, the Jaipur Jewellery Show in 2022 welcomed over 45,000 visitors and traders during the four-day event. The theme for the year was 'Emerald's Timeless Elegance,' which showcased the enchanting green stone and served as an expedition into the exciting world of emeralds. Both the organizers and exhibitors were thrilled with the positive response received at the last JJS. In light of the increasing demand from exhibitors, the number of booths at JJS may increase to over 1000 in the next edition. Moreover, the event witnessed a significant number of repeat exhibitors, symbolizing its unparalleled success. We look forward to welcoming back all repeat and new exhibitors to be a part of this legendary show that has become the benchmark for all other gem and jewellery shows across the world.

We always look forward to the Jaipur Jewellery Show (JJS) for its great mix of jewellery options which the show has to offer, ranging from heritage Jadau to contemporary fine jewellery and also the timing of the show is very apt. There is a lot of jewellery buying which happens after the Diwali season and demand for bridal jewellery is present. The show never fails to amaze me with the creativity in terms of the spectacular jewellery and the efforts made by the entire JJS team in managing and organizing the show. I have seen the show getting bigger and better with every passing year and hope it continues to reach new heights

A Stupendous Show: The Best Ever

Inaugural Ceremony

In the Inaugural ceremony of JJS 2022, Mr. Vipul Shah, Chairman, Gems and Jewellery Export Promotion Council (GJEPC), in his address as the Guest of honour, said that they had put forth suggestions for the Union Budget 2023-24. In this regard, they had also recommended reduction in import duty on cut and polished gemstones from 5% to 2.5%. The reduction in import duty will have a positive impact on jewellery exports.

He further said that the Pink City is a big name in the Gems and Jewellery sector where JJS is playing a vital role in promoting innovative designs in gems and jewellery. India's foreign trade agreements with countries such as the UAE and Australia have accelerated the export momentum by giving gems and jewellery exporters preferential access to these markets and their neighbouring regions.

In his address as the Guest of Honour, Chairman, All India Gem and Jewellery Council (GJC), Mr. Ashish Pethe, said that JJS and GJC have a longstanding relationship. He thanked the JJS team for hosting GJC each year. Mr. Pethe said that this is the 20th year of JJS, which is a big success in itself. JJS's new initiative 'Pink Club' is a very unique initiative and is the need of the hour. This will take JJS to new heights. He also suggested making an annual calendar of all the events, so that the events could be organized smoothly.

Chairman, National Gems and Jewellery Council of India, Mr. Pramod Derewala was also present as the Guest of Honour for the ceremony. He said that every year JJS is held with innovation. He further said that apart from Jaipur being the Emerald Capital, our contribution in Kundan-Meena is also commendable.

JJS Hon. Secretary, Mr. Rajiv Jain recapitulated the highlights and traditions of this year's JJS. He said that on the demand of traders, this year JJS also added a new B2B attraction called 'Pink Club' for B2B interactions. He said that the aim of JJS has always been to promote trade. He also said that there should be a gap between such shows and exhibitions so that there is no inconvenience to visitors and buyers.

Mr. Dinesh Khatoria, Vice Chairman, JJS, in his welcome address, welcomed all the guests and said that starting with 67 stalls at Entertainment Paradise (EP) in 2003, this year JJS is hosting 903 booths. This year's theme is 'Emerald...Timeless Elegance'. To promote Emerald, a group of 13 members has been formed as Emerald Promotion Group, with Gemfields as the Prime Emerald Promotion Partner.

The opening ceremony of the show was moderated by Mr. Ajay Kala, spokesperson of JJS. The inaugural function started with the lighting of the lamp by the Chief Guests followed by the release of the JJS Show Guide. 5 women entrepreneurs were felicitated after the inaugural function for their contribution to the Gems and Jewellery sector.
